

**ESTABLISHED 1996 - celebrating 30 years**

# **Charlie Lake Conservation Society (CLCS/ the Society)**

January 2026

## **Mission**

*CLCS/ the Society* - promotes the environmental stewardship of Charlie Lake and its watershed

## **Purpose**

*CLCS/ the Society* - supports conservation while promoting stewardship awareness through a forum for gathering, sharing and coordinating information

## **Vision**

Charlie Lake and its watershed is a diverse ecosystem that is valued by the community

## **Values**

- *Community & Collaboration* - empowering the community to participate in promoting local and regional environmental awareness
- *Inclusivity & Respect* - enjoy, appreciate and value nature
- *Education & Advocacy* - science-based accountability for promoting the natural environment
- *Fun & Wet!*
